Re: Water Right Nos. CS4-SWC848 and CS4-SWC3058

Dear Dr. Mayer:

We have received your request to withdraw each *Proof of Appropriation* and *CWRE Proof Report of Examination and Recommendation Summary*. In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reason(s) below:

- The scope and complexity of the project are such that an extension of time is reasonable.
- The permit holder requires more time to collect water use data for the purpose of quantifying beneficial use of water.

The new deadline to submit your *Proof of Appropriation of Water* is **December 31, 2020**.
